Singapore: According to announcements released by [Care Pack Singapore](#), the Company will be having a booth (G012) at Singapore's largest and finest Gifts and Premiums Trade Fair named Singapore Gifts & Premiums Fair to show case their care packs and innovative gift ideas. Care Pack is powered by PrintnGift, a trusted provider of personalized printing and gifting solutions. The care pack boxes are thoughtfully curated to enable businesses to send personalised gifts to business partners, customers, and employees.

### **The Story Behind the foundation of Care Pack Singapore**

[PrintnGift Pte Ltd \(PnG\)](#) is an exciting and growing company registered in Singapore with footprints in Singapore, Malaysia and China. Founded by an experienced and dedicated team with over 20 years of in-depth industry knowledge and extensive experience in print and marketing services, PnG provides curated and personalised printing and gifting solutions and employee benefits programs for our customers. We extend our services to fulfil your end to end print and gifting needs. Our holistic strategy is to constantly bring convenience and new ideas/solutions tailored to your requirements.

Due to unusual times and uncertainties in the rapid changing situation as a result of the Covid-19 pandemic, our business has suffered tremendously. In light of the potential negative impact of Covid-19 has on employees, we have responded to the market to launch [Care Pack Singapore](#) to help our corporate customers to provide customised care packs which include lifestyle, essential, protection, immunity and healthy snack items etc. to spread optimism and cheers; to express thanks and gratitude or simply to provide encouragement and motivation for their employees and clients.

We also allow our customers to select and assemble a customised care pack by choosing from a wide variety of product assortment. Customers can select the items they need to create different care packs for different needs with personalised message. This is just timely for the upcoming Thanksgiving and Christmas season.

### **Personalised Care Packs for Business to show appreciation to customers & staff**

Businesses can also customize the care packs to suit their needs; for example, a care pack for a healthcare worker would be different from one meant for a work-from-home mom. Custom additions include a company's logo and a gift card with the desired printed message. The minimum order size is ten (10) care packs, and each can be door-delivered to multiple locations. Delivery charges are \$10 per location.

Be it as a morale booster, an incentive for the sales staff, a token of appreciation for customers, customers' engagement, or even as a Thanksgiving or Christmas gift; you can gift these versatile care

packs to just about anybody. These make for excellent B2B and B2C gifts. The pandemic has been hard on all. Care Pack Singapore is doing its bit to simplify day-to-day living and boost community spirit in these hard times by promoting Supports for local businesses.
